

OVERVIEW

Black Pine Supply & Contracting LLC is a two-person, veteran-owned small business in Kennewick, Washington. We are a nonmanufacturer reselling industrial MRO, fluid power, fasteners, electrical components and facility product across a 77-code NAICS allowlist, quoted against your specification inside one business day with a named manufacturer, stated country of origin and a committed lead time on every line. The Government Purchase Card is accepted to \$15,000. Federal veteran certification (SBA VetCert) is applied for and not yet held; today we compete as small business and unrestricted.

CORE COMPETENCIES

FLUID POWER, VALVES & SEALING

326122, 326220, 326291, 332911, 332912, 332913, 332919, 332996, 339991, 423720

FABRICATED METAL & PLASTICS

326199, 332215, 332439, 332999, 339999

DIFFERENTIATORS

- **Small under every code.** \$0 average annual receipts and two employees put us below every size standard in 13 CFR 121.201 — eligible for small business set-asides across all 77 NAICS codes on the allowlist.
- **Quoted in one business day,** with a named manufacturer, stated country of origin and a committed lead time — not an estimate issued after award.
- **Nonmanufacturer rule screened before we quote.** Checked per line item, and the answer is in the quote rather than discovered after award.
- **Published compliance data.** Every registration, limit and code is on the public site as selectable text, not withheld until a clarification request.

PAST PERFORMANCE

Newly established in 2026 — no prior federal awards.
